

# 'WHO CAN PLAY – VIP SERIES'

## TEAMS

For Teams to be eligible to participate in the VIP Series Tournaments, they:

1. Must not have an "A" or "B" players on their team even if they are a rostered player on a recreational team.
2. All pick-up players must come from either a participation team within the team's own league or another registered 'C' team.
3. Cannot have a player on their roster from another team in the current VIP Tournament.
4. A team playing in more than 3 "A" or "B" tournaments risk eligibility for the VIP tournaments.

## PLAYERS

For Players to be eligible to participate in the VIP Series Tournaments, they:

1. Must play in a recreational league or not on an active roster for an "A" or "B" team for current year.
2. Cannot play on multiple teams in the same VIP Tournament regardless of age divisions.
3. Can only be a guest player on an "A" or "B" team for 3 tournaments.
4. Cannot be a regular player on a roster of an "A" or "B" team.

The VIP Tournaments reserve the right to refuse entry into the tournaments for any reason. Teams cannot be an "A" or "B" competition tournament team as they are NOT eligible.

Any team that enters the VIP Tournaments and is considered an "A" or "B" team by the VIP Tournaments prior to the tournament, prior to the scheduling of the tournament, will have their entry returned. After the schedule has been posted, entry fee will not be refunded.

Any team found to be in violation of the team rules or players rules will be disciplined as written in the USA Softball eligibility code.

Do not make accusations about another team without proof! If you have proof of violations of the above rules, I want to see it.

These rules will change as needed and should be read prior to any VIP Tournament.
