

VIP SERIES BRACKET SEEDING

ALL TEAMS IN AN AGE GROUP WILL BE SEEDED TOGETHER. there will be no individual pool seeding. The criteria for the seeding will be based on the following:

1. Overall record starting with the greater number of wins
 - 3-0-0 beats 2-0-1
 - 2-0-1 beats 2-1-0
 - 2-1-0 beats 1-0-2
 - 1-0-2 beats 1-1-1
 - 1-1-1 beats 1-2-0
2. Least runs allowed
3. Greater run differential
4. Coin Flip

4th GAME RULES: When an odd number of teams exist in an age division, one team is required to play a 4th game for all teams to get their 3rd of 3 guaranteed games. Most teams like the 4th game. No team will get a 4th game more than 1 time per season unless requested. The 4th game played will not count against nor for the team. If the team chooses not to play the scheduled 4th game, it will count as a forfeit and replace their 3rd game score.

Brackets will be updated online as quickly as possible after the conclusion of the last game in each age group.

IMPORTANT NOTES:

This system will not take Head to Head pool games into consideration.

If two or more teams in the same pool finish with the same record, it is highly possible the teams will play against each other again in bracket play.

Tournament MVP website does a seeding of each age division on-line. Keep in mind that this ranking is not always correct as it includes all games played and we DO NOT count the 4th game when played by teams. Only the first three games will be used in the seeding.

See Sample Age Division Bracketing on next page.
